

“FIGURE 8 RACE”

THREE TIRES INSTEAD OF TWO!

NO N.Y. State Fair Derby this year
Location Where Winners Go - To Be Announced

Car Set-up Rules:

1. **All vehicles will be compact cars or small trucks (S-10, Ranger, etc.).**
2. **You must have:**
 - a. **One piece of steel welded or bolted to the driver’s side of the vehicles. Steel piece must not extend past the front or the rear wheel wells.**
 - b. **Steel must be no larger than 6” wide**
3. **All vehicles must follow all other derby vehicle inspection rules.**
4. **Any vehicle driving in the Figure 8 Race will be qualified to drive in a regular demo heat after the race.**
5. **Any vehicle after the race wanting to drive in a regular demo heat must fill out an application form and pay for another entry. This can be done after the figure 8 race the night of the event.**
6. **If enough cars show or are interested, there can be 2 size races: small and mid-size**

Driving Rules:

1. **Vehicles will be given a number on their sign and assigned a heat.**
2. **Vehicles will be given a number of laps to drive and the first car to complete all laps will be the winner.**
3. **Collisions are allowed but it is a race, not a demo.**
4. **Penalties include not crossing through the center and/or not making a complete lap.**
5. **Heats will be a maximum of 8 cars.**
6. **The Fair has the right to change rules**
7. **The Judges word in final**

HEMLOCK FAIR DEMOLITION DERBY

This is a new event. Let's make this fun and a great show so that next year we can get bigger.
